

Deborah Karva

Digital designer with four years of experience designing digital products, websites and design systems. I have worked across healthcare, finance and the public sector, creating intuitive digital experiences in close collaboration with developers, product owners and stakeholders.

Education

2019 - 2022: DMJX, Interaktivt Design (BA)

2018: Vallekilde Højskole, Design & Maker

2013-2016: Sorø Akademi, STX

Selected projects

Coloplast - Product Design

KommuneKredit - Self-service Platform, Website & Design System

PenSam - Accessibility Review & UX/UI Design

MinForsyning - App Design & Design System

LBF - Accessibility Review & Website Design

Legebanken - End-to-end UX/UI Design

KMD - Digital design & Illustration

Expertise

Product Design, UX/UI Design, Design Systems, Accessibility, Prototyping, Visual Identity & AI-assisted Design

Experience

2022 - Present: Digital designer, Charlie Tango

Designing digital products and self-service platforms for public and private organisations. Working closely with developers, product owners and stakeholders to create intuitive user experiences, scalable design systems and accessible digital solutions.

2020 - Present: Freelance designer

Collaborating with brands on visual identities, websites and digital experiences. Taking projects from early concepts to polished solutions with a strong focus on aesthetics, clarity and usability.

2022: Graphic Designer, Wunderkind Media

2021 - 2022: Digital design/motion intern, AM Copenhagen

2020 - 2022: Junior Layouter, Wunderkind Media

Professional development

How to Design for Accessibility (WCAG 2.2)

AI Agents & Workflows – The Practical Guide (currently completing)

Software

Figma, Miro, ChatGPT, Claude, Photoshop, Illustrator, InDesign, After Effects, Cinema 4D, Lottie, Elementor & Azure DevOps

Personal qualifications

Curious by nature and motivated by solving problems through design. I enjoy challenging existing solutions, collaborating closely with developers and clients, and continuously refining details until they feel right.
